

# San Francisco Neighborhoods

San Francisco's 167 taquerias are scattered throughout 34 local neighborhoods. Burrrito eater.com's spatial analysis groups current OMR (Overall Mustache Rating) data by neighborhood to demonstrate how each taqueria-inclusive area of town performs in the crucial realm of overall burrito quality. Data reflects visits made since 2003.

(The unit of measurement is mustaches.)

- Superb**
- Reliable**
- Patchy**
- Dicey**
- No taquerias**

Data updated January 31, 2007.
